**SUBJECT:** Attendance by Board Members at Conferences, Conventions and Workshops

The Board believes that continuing inservice training and development are important for its members. The Board, therefore, encourages the participation of all members at appropriate school board conferences, workshops and conventions. However, in order to control both the investment of time and funds necessary to implement this policy, the Board establishes the following principles:

- a) A calendar of school Board conferences, conventions and workshops shall be maintained by the Board Clerk. The Board will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the School District. At least annually, the Board will identify those new ideas or procedures and/or cost benefits that can be ascribed to participation at such meetings.
- b) Funds for participation at such meetings will be budgeted for on an annual basis. When funds are limited, the Board will designate which of its members would be the most appropriate to participate at a given meeting.
- c) Reimbursement to Board members for their travel expenses will be in accordance with the regulations established by the Board for travel reimbursements.
- d) When a conference, convention or workshop is not attended by the full Board, those who do participate will be requested to share information, recommendations and materials acquired at the meetings.
