

# School Climate Survey 6-12

Good morning,

Below is a school climate survey to help you provide us information about your experience here at JD. Please be sure and answer each question.

The survey is collecting email addresses. However, this is only so we can link demographic data (school, grade, gender, etc.) to the data. Once linked, we will remove the email addresses so that individual student responses cannot be identified.

We will be analyzing the answers to help serve you better.

Thanks!

The JD Team
