Religious and Ethnic Observances

J-D Schools serve children from many different religious and ethnic backgrounds, and a goal of the District's Strategic Plan is to *provide a safe, caring, inclusive, equitable, and challenging learning environment that is free from discrimination and harassment, and to building a community that recognizes diversity as one of our greatest strengths.* Because no Jamesville-DeWitt student should ever have to choose between important religious observances and academic or athletic commitments, the district provides for students who wish to participate in any religious observances that conflict with other obligations to make arrangements with their teachers and coaches to do so and shall be provided an opportunity to make up such requirements that may have been missed.
