Instructional Technology Plan - 2026-2029 Instructional Technology Plan**II. Strategic Technology Planning**

Page Last Modified: 06/17/2026

II. Strategic Technology Planning**1. What is the overall district mission?**

The Jamesville-DeWitt Central School District has an uncompromising commitment to excellence in preparing students to achieve and succeed, to respect themselves and others, and to practice life-long learning in an ever-changing, richly diverse global society. We take responsibility for providing a challenging educational experience in a safe and nurturing environment. We dedicate ourselves to the academic, artistic, social, emotional, and physical development of each student.

2. What is the vision statement that guides instructional technology use in the district?

Jamesville-DeWitt students will thrive in a digital world as engaged, technologically literate citizens. They will skillfully utilize technology to seek, analyze, evaluate, and communicate information, create knowledge, and enhance productivity. They will fully participate in the global world by building the societal skills to interact. Educators will skillfully use technology in their role in the teaching-learning process, including communication with students, families, and colleagues. Technology will be integrated into learning experiences that promote content understanding, creativity, effective communication and collaboration, critical thinking, and the appropriate use of specific technology tools on the part of each student. The effective use of technological resources will help ensure the opportunity for each student to become a life-long learner, achiever, and effective communicator.

3. At the start of the 2026-27 school year, will the district provide a dedicated mobile device for every student in all grades?

Yes

For help with completing the plan, please visit ITP Resources on our website, contact your district's RIC, or email edtech@nysed.gov.

V. NYSED Initiatives Alignment

Page Last Modified: 06/17/2026

V. NYSED Initiatives Alignment

1. How will the district's use of instructional technology support a comprehensive and sustained effort to improve student performance and academic standards, while also addressing the need to provide equitable learning opportunities "everywhere, all the time" (National Technology Plan)?

The Jamesville-DeWitt CSD integrates technology by providing standards-based, accessible digital content that supports the curriculum for all learners. By ensuring digital resources are aligned with the New York State learning standards, the district guarantees that technology will act as a direct extension of core academic instruction. The district will be developing an "AI Readiness" framework, this framework will give our teachers the ability to deliver a more targeted instruction to better support students' diverse learning needs. Through our 1:1 device program, the district is committed to ensuring equitable access to devices and software, allowing every student the opportunity to learn "everywhere, all the time".

2. **At the start of the 2026-27 school year, will the district offer full-time virtual instruction to any students? (Select all that apply)**

- Yes. Our district operates a full-time virtual instruction program.
- Yes. One or more of our students will attend a program operated by a BOCES or another public school district.
- None of our students will participate in a full-time virtual instruction program.
- Other

3. If the district files or has filed a Smart Schools Investment Plan (SSIP) to apply for Smart Schools Bond Act funds, all responses in this survey align with the district's response to any related question(s) in the SSIP.

Yes

For help with completing the plan, please visit ITP Resources on our website, contact your district's RIC, or email edtech@nysed.gov.
